

Reception Weekly Learning Letter

Autumn 2

Week 7

Date: 14/12/2017

Our Learning Journey

IT HAS BEEN FUN AND FESTIVE THIS WEEK ☺

The children have been writing Christmas lists to Father Christmas and even got to see inside his workshop through 'Santa Cam!' We have looked at repeating patterns and have talked about the different patterns we see e.g. colour, shape and picture.

The children enjoyed doing some Christmas cooking this week and we hope they enjoyed eating their Krispie Christmas Pudding.

The children have started to make something special that they will bring home next week in their homemade patterned wrapping paper!

We thoroughly enjoyed snuggling round the cosy log fire and enjoying our milk and cookies! Thank you to all the children and families for taking part and we loved every second of it, it is a magical event for all.

Next Week

We are coming to the end of a wonderful term at school - we are going to be reflecting on each child's journey so far and reflecting on how we have grown as learners.

We will also be having a special visitor in school and celebrating the Christian festival of Christmas.

We will be keeping the activities simple, fun and festive next week! If your child has a great idea, please share it with your class teacher and we will do our best to set it up for your child to enjoy.

General Information

Your child should come home with their PE Kit on Friday, if they have not please let us know on Monday and we will send it home.

Our last book changing day will be on Tuesday 19th December.

Parents in Partnership

Thank you to all the Parents who are going to be starting with us after Christmas as volunteers. Your time and support is greatly appreciated and we cannot wait to have you with us in the classrooms. If you attended the training please let your Class Teacher know when you will be available to help so we can create a class timetable.

Star Learners

Ruby - for excellent sounding out in writing activities this week!

Aurelie - for independent and amazing learning in class!

Oscar - for being a superb learner and role model to others!

Important Notice

We would like to remind you that we finish at 2:15pm on Thursday 21st December.

Home Learning

This week your child has received their Bug Club login which is inside the front cover of their yellow Reading Record. They have also received a letter explaining how to use Bug Club. Bug Club is an interactive online reading scheme that has a range of books which will support your child's reading. There are comprehension questions and quizzes which are fun for the children too ☺
