

## Home Learning - 11<sup>th</sup> January 2018

Dear Parents,

Welcome back and a Happy New Year to you all! We hope that you all had a fabulous Christmas break and lots of fun. The children have come back raring and ready to go which is great! Our topic this half term is the Great Fire of London and the children have already started to think about learning questions that they would like to answer and have made some observations of London back in 1666. In English, we have been learning how to construct noun phrases and use them in a piece of writing. The children have really enjoyed this and have impressed us with their skills. In Maths, we have also been learning about 3D shapes.

Next week we will be looking at collaging in our Art lessons. Please could you send your child into school with any spare magazines, fabric pieces, ribbons, coloured paper (in red, yellow, orange, brown, white and black) by Monday 15<sup>th</sup> January. Many thanks! 😊

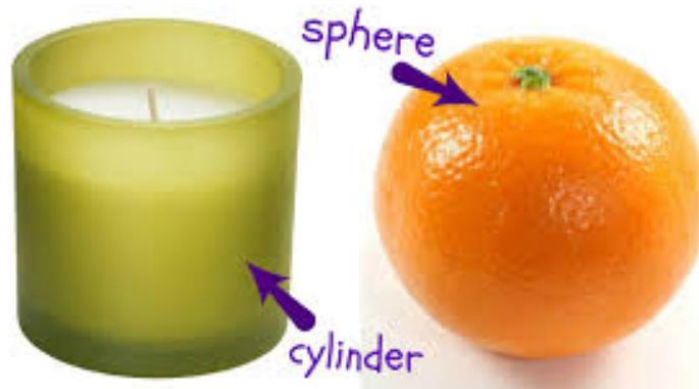

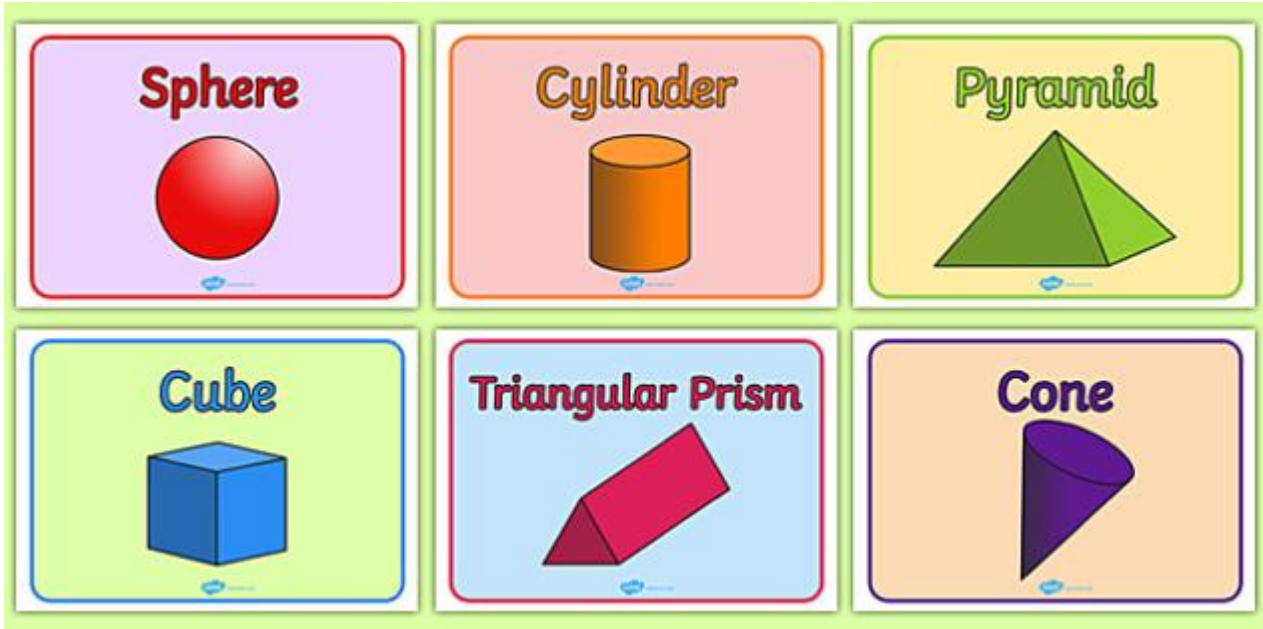

Next week we will have the sign-up sheets outside Year 2 for you to put your name down for a slot for our parent workshop on either Wednesday 24<sup>th</sup> or Thursday 25<sup>th</sup> January 9:3-10:30am please sign up for one of the days if you can. Unfortunately, we will not be able to accommodate younger siblings as the workshop is being held as part of a normal lesson in school. The workshops will have a Maths focus so we hope that they will be helpful to you in order to help your child at home.

 <b>Dragonfly Superstar Of The Week</b>	 <b>Ladybird Superstar Of The Week</b>	 <b>Glow Worm Superstar Of The Week</b>
Annalise for working so hard to make her sentences clearer. Well done!	Dominic for working really hard to recognise and describe 3D shapes. Well done!	Olly for coming back to school with the best attitude to learning and asking lots of questions about our new topic! Well done!

Home Learning:

Home learning this week is to recognise and name 3D shapes around the home (please use the mat below for the children to name the shapes accurately).

Have a wonderful weekend!  
Charlotte, Sophie and Leigh ☺

## Year Two's Home Learning Challenge!

Please fill in the challenge sheet indicating how much of a superstar your child has been and tuck it inside their Home Learning book. We will celebrate any successes as a class each week and your child will get to go onto the golden cloud for trying so hard with their learning at home.

Good luck! ☺
