

Reception Weekly Learning Letter

Autumn 2

Week 8

Date: 21/12/2017

Our Learning Journey

We cannot believe that this is our final Newsletter and that Autumn Term has ended!

We have had a magical and delightful week with the children and they have shared some fantastic activity ideas for the classrooms.

The 'Singing Concert' at the Church was magnificent and the children loved being Superstars on the stage one last time!

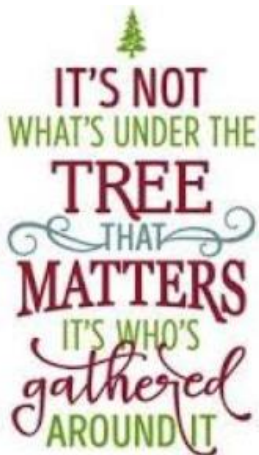

We thoroughly enjoyed our 'Teddy Bears Picnic' on Wednesday and each class loved bringing their favourite cuddly toy into school to learn with them.

Our 'Special Visitor' made an exciting visit to West Byfleet Infants and delivered some very special gifts to Year R.

We unwrapped a Fantasy Fort outdoor area building activity, some Dinosaur puzzles and a sound system to be used in our outdoor area for performance and dancing skills.

WE WOULD LIKE TO WISH ALL OF OUR CHILDREN AND FAMILIES A VERY VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR.

THANK YOU FOR A FABULOUS FIRST TERM AND WE CANNOT WAIT TO SEE YOU ALL IN 2018!!!

General Information

We will start our PE sessions on Monday 8th January - please ensure kits are in school on Friday 5th January.

Our PE sessions for Spring 1 will be indoors - so the kit needed will remain the same as requested in Autumn term.

Parents in Partnership

There is one last opportunity to come for 'Parent Helper' training on Friday 5th January at 9:15am. Please come to the main office and Miss Webber will lead the training in a classroom. ALL Parent Helpers must have a DBS certificate (for our school) and have attended the training to support us.

Star Learners

All of RECEPTION for their amazing achievements this term and superb attitude towards learning.

Important Notice

Parent 'Fun with Phonics' Workshop sign-up sheets will be available on Friday 5th January.

Home Learning

We would like all the children to enjoy this magical time of year - have a movie night, go for a winter walk or play a board game.
