

Home Learning - 17th November 2017

Dear Parents,

Firstly a big thank you to everyone for supporting your children with their animal models for Home Learning last week. They are brilliant and being proudly displayed in the classroom; it really helped in our Science adaptation learning this week. This week, we have been learning how to plan, write and edit our own stories based around "Miranda The Explorer". In Maths, the children have been learning how to use the inverse to check an answer. They have worked really hard to use this Maths skill, so well done Year 2! We have also been creative and made some fantastic art pieces, including Chinese blossom flowers, Chinese writing and our brand new boards in the hall.

Thanks to everyone who came to Parents Evening this week - it was great to share with you how the children have settled in this term. We look forward to seeing the rest of you on Monday.

A huge thank you to Maya's Dad for coming into school last week and teaching us all about Brazil. It was amazing and the children had such a great time doing the rain dance - it even rained inside the classroom! If anyone else would like to come in and talk to the children about their experiences or another country please see your child's class teacher.

Year 2

Mild	Hot	Spicy	Extra Spicy
I	cold	pretty	half
today	hold	while	climb
love	house	also	clothes
where	pull	many	flew
your	says	Mr	discover
our	floor	sight	Mrs

The above spellings will be your child's to learn for the next two weeks and they have the option to learn whichever spelling level they wish. A dictation style spelling test will take place at the end of next week to assess if the children are applying them to their writing and spelling them accurately. The children will be tested in at the end of the week in two weeks' time so that they have got time to learn them accurately.

Dragonfly Superstar Of The Week

Lilly for being brilliant in Maths for the last couple of week - well done!

Ladybird Superstar Of The Week

Joseph for a creative story plan! Well done!

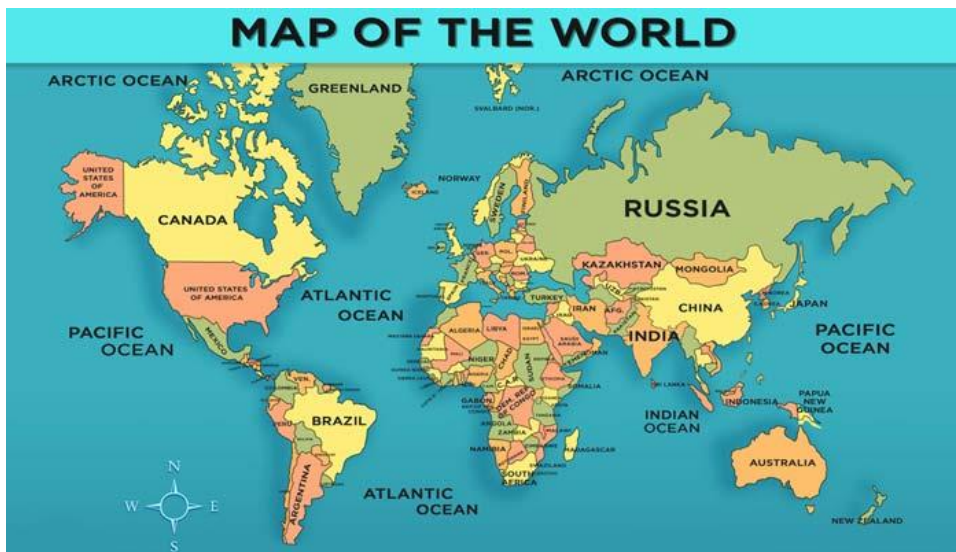

Glow Worm Superstar Of The Week

Sophia for being so enthusiastic about her home learning and sharing her facts that she discovered all by herself. Well done!

Home Learning:

Home learning this week is to look at the compass points and use this to navigate around a world map (eg. From England move WEST. What country do you come across?) Your child may wish to use a compass if you have one to navigate around an obstacle course or around the home.

Have a wonderful weekend!
Charlotte, Sophie and Leigh 😊

Year Two's Home Learning Challenge!

Please fill in the challenge sheet indicating how much of a superstar your child has been and tuck it inside their Home Learning book. We will celebrate any successes as a class each week and your child will get to go onto the golden cloud for trying so hard with their learning at home.

Good luck! ☺

Home Learning Challenge

This is to certify that

Completed their Home learning tasks by:

Learning Zoo

Go for it Gorilla – I will have a go

Exploring Elephant – I am an explorer

Proud Peacock – I am proud of what I do

Choosing Chimp – I can choose ways to do things

I know Rhino – I play with what I know

Creative Chameleon – I have my own ideas

Slinky Linky Snake – I make links in my learning

Concentrating Crocodile – I join in and concentrate
