

Home Learning - 14<sup>th</sup> July 2017

Dear Parents,

What a brilliant week we have had! This week the children have enjoyed their swimming lesson and they have improved so much, we are very proud of them! As they missed a session the first week due to the heavy rain, Michael the swimming teacher has offered to make up for this by teaching a swimming session next Thursday 20<sup>th</sup> July.

Therefore please send swimming kit with the children on this day. A text has been sent out to see who is available to help us walk to swimming on Thursday so if you usually help and are free on that day please let your child's class teacher know asap! A huge thank you to all our parents who helped with swimming, we couldn't do it without you!

The children have enjoyed making their own Popart pieces of artwork and painted them in some beautiful bright colours. We have been busy getting your child's reports ready for you to read, the children have written a comment about their time in school this year so we hope that you enjoy reading them. Please make sure that you sign and comment on the parent form inside your child's report when you get it next Monday.

We have been super busy rehearsing our Leavers Show for you all to see on Tuesday - we cannot WAIT for you to see it!

On Thursday 20<sup>th</sup> July our Year 2 children will be meeting their buddies to share their favourite book. Please can your child bring in their favourite book to share on this day. Thank you.

Next week is a busy one! We've got...

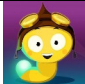

Monday - dress rehearsal for Stoop Court

Tuesday - Leavers Show to parents 9:30-10:30am - everyone welcome

Wednesday - Year 2 leavers party (please come into school in summery, party clothes)

Thank you to everyone for making an effort with recording the reading taking place at home. It is such a vital skill for the children to acquire and the more practice the better!

Home Learning:

Home Learning this week is to have a chat with your child about their memories during their time at West Byfleet Infant School in preparation for their writing next week. Thank you ☺

Have a wonderful weekend! Charlotte, Callie and Sophie ☺

**Year Two's Home Learning Challenge!**

In previous years a few parents mentioned that their children were a little reluctant to complete Home Learning tasks. To help with this we have created the challenge sheet below. Please fill in the challenge sheet indicating how much of a superstar your child has been and tuck it inside their Home Learning book. We will celebrate any successes as a class each week and your child will get to go onto the golden cloud for trying so hard with their learning at home.

Good luck! ☺
