Spring Newsletter No 9—Friday 10th March 2017

This Week.....

Butterflies have enjoyed their Forest School adventures this week and Dragonflies had a fun trip to the Library and behaved beautifully. Unfortunately, the Fire Engine was unable to come to us on Monday, as it was needed at an emergency instead. We hope to be able to rearrange a visit soon.

We have a little request....we are looking to refurbish our staffroom and wondered if there are any parents who are kitchen fitters or good at carpentry, who could help us fit work surfaces and kitchen cupboards (we are thinking of buying flat pack but just need help to source and fit it). If you could help us please contact the Office.

USEFUL DATES:

- Monday 13th March—Forest Schools—Butterflies—please come in wearing suitably warm clothes, wellington boots, waterproof coat and bring spare pair of shoes for outdoors.
- Friday 10th March— PFA Ladies Night—Disco!
- Friday 24th March— PFA Mothers' Day Sale
- Monday 27th March—Year 2 Easter Assembly to parents—9.15am
- Tuesday 28th March—Year 1 Easter Assembly to parents—9.15am

Appointments During School Day

If you need to take your child out of school for an unavoidable appointment during the school day, please can you let the Teacher on the door know first thing in the morning, so that they can organise for your child to be sent round to the Office at the appropriate time.
Thank you for your help with this.

Hair and Bow Accessories

**Please can we keep bows and hair accessories small and discreet at school. We encourage long hair to be tied up if possible, but please avoid large bows and big accessories.
Thank you.**

Camphill Club Parking

Camphill Club have asked that parents who are not members of the social club DO NOT park in their car park. It is for members only. Thank you.

Missing Micro Scooter

One of the children is missing a much loved, raspberry red micro scooter. If you have seen it, or know where it is, please could you let the Office know. Thank you.

School Attendance:

96.27%

Please help us maintain this attendance by keeping your child in school as much as possible and not taking holidays during term time. Many thanks.

Question of the Week

Which one of the seven dwarfs would you rather be and why?

Thank you for your help in discussing this fun question with your children.

This Week's Tip from Eco Team

To help save our environment don't leave lights on when you are not in a room!

HEAD LICE

We currently have a few children in Reception with head lice. This is a very normal occurrence at Infant School age and nothing to be alarmed at, but does need to be treated immediately.

It can be easily treated by combing through hair using conditioner and a nit comb on a daily basis until they have gone, and then check again a few days later to stop the egg cycle. More information can be found on:

Surrey Half Marathon—Raising money for Woking and Sam Beare Hospices

Bridget, Aiden's Mum, is fundraising for Woking & Sam Beare Hospices by running the Surrey Half Marathon this Sunday. If you would like to support her you can text **BEOJ50 £1 to 70070** to sponsor her, or go to her just giving page:
