

Home Learning - 25th January 2018

Dear Parents,

We had a fabulous time this week with Cameron's Dad bringing in a pet snake for the children to have a look on Wednesday, linking in beautifully with our topic 'Do all animals have legs?'

This week we have been super Scientists during our English lessons by looking at the different types of animals. We have been finding out information about animals in lots of different (and fun) ways. We found out about mammals by looking at Top Trump cards- Did you know humans are mammals just like bears, monkeys and even elephants? To find out about birds and fish we looked at pictures and diagrams and we found out lots of information about insects and reptiles by searching the internet. We used a safe children's web browser called Kidrex.org

In Phonics this week we have continued to look at the digraphs **ee** (What can you see?) and **ea** (cup of tea). We have also learnt **oa** (goat in a boat) **ow** (blow the snow) and started to learn the split digraph **o-e** (phone home).

In Maths we have continued to learn about money and its value, which has involved looking at different coins and notes and solving money related problems.

Parent Phonic Workshop- 16th/ 17thMay

An opportunity for parents to come in and work alongside their child. More information will come nearer the time.

This week's Star Pupils are...

Centipedes Superstar	Caterpillars Superstar	Fireflies Superstar
		
Alex J for written questions to Jimmy the snake our special visitor.	Cameron for being a 'Go For It Gorilla' in Maths this week.	Kirin for excellent homework. Keep up the good work!

Please remember we are always here if you have any worries or concerns.

Thank you for your continued support.

Sarah, Emma, Sharon, Liz and all of the Year One Team

18th JANUARY 2018
Year One

Science words and common
exception words from 1 and 2

Spelling Bee

Mild	Spicy	Hot	Extra Hot
fur	ask	F <u>ish</u>	Mammals
are	our	B <u>ir</u> ds	Reptiles
lay	your	scales	Amphibians
eggs	skin	snakes	kind
gills	hair	moist	find
fins	wings	webbed	mind

Magic Maths

		
<p>What 2 items would you buy from the shop? How much would you spend in total?</p> <p>Write the number sentences down in your book. What can you use to help you work out the number sentences?</p>	<p>What 2 items would you buy from the shop? How much would you spend in total? What coins could you use to pay to the <u>exact</u> amount?</p> <p>Write the number sentences down in your book. Draw your coins.</p>	<p>Using 'The Shop', write your own word problems for someone to work out.</p> <p>Don't forget to work out the answers to check whether they are right or wrong!</p> <p>Example: Sally went to the shops and she bought a loaf of bread for 4p and some bananas for 5p. How much did she spend altogether?</p>

The Shop
