Question of the Week

Would you rather have a bath in wriggly worms or cold baked beans?

Thank you for your help in discussing this fun question with your children.

Church Car Park

The Church very kindly allow parents to use it for short periods of time to drop off and pick up their children from school. However, this is now being abused and cars are being parked for very long periods of time and being parked very inconsiderately—blocking others in, parking in designated wardens' spaces and stopping people turning. There are clubs and classes that start at 9.30am in the church hall and due to the overstaying of parents, these participants cannot attend their classes. There have also been times when funerals have had to be delayed due to inconsiderate parking. The Church Wardens will now be monitoring the car park use in order to decide how to manage the car park in the future. Access may be restricted and the car park may be closed at certain times. Please set a good example and enable us all to continue to use the car park by parking considerately. Thank you.

This Week's Tip from Eco Team

Don't throw batteries in the bin—put them in a plastic bag and put them out with your recycling waste bin.

Polite Reminder

We all love to chat, but we do need to lock the gate by 9am each morning, so please can you ensure you have left the playground by that time. Many thanks.

Reading

Keep up the reading ! We are excited to see further improvements during the Summer Term. The first percentages will be calculated next week. Please don't forget to sign your child's reading record. Thank you for your support.
