

30th November 2017

Dear Parents,

The wonderful Christmas Fair has been and gone and now we can look forward to our Nativity Performances next week. Please remember to bring your costume in **THIS FRIDAY** (1st December) in a **named** carrier bag. We have a **dress rehearsal on Monday** and they will need their costumes for that.

The Nativity Production for Year 1 parents is on **Tuesday 5th December** and starts promptly at **2pm**.

This week we have enjoyed singing, dancing and acting on stage along with many lessons in class too. The children have been busy completing some assessments independently and we are really proud of how hard they have have worked. We have also managed to find time to read and write words in lists, sentences from our Spelling Bee, and looked at the grey phonics tree with the 'oi' and 'oy' digraphs ('spoil the boy' and 'toy for a boy' are rhymes used from Read Write Inc). We would be very grateful if you could support your child having a quick recall of number bonds to 10 and have added this as a focus for Magic Maths this week. You may have time to paint a large rainbow and use it to make number sentences. You could also play a game of Ping Pong. You say a number '6' and encourage your child to ping a number back that makes 10.

On **Wednesday 13th December** we are having our Christmas Story night. If your child would like to come to hear some Christmas stories please bring them to school in their pyjamas via the Oak Tree door at **5:45pm**. The children will need to be collected at **6:15pm** from the normal Year 1 pick-up point. We look forward to seeing lots of the children for some Christmas stories.

This week's Star Pupils are...

Centipedes Superstar	Caterpillars Superstar	Fireflies Superstar
		
Mateus for excellent drumming.	Tilly for fabulous instruction writing.	Noah for improved handwriting.

Please remember we are always here if you have any worries or concerns. Thank you for your continued support. Sarah, Emma, Sharon, Liz and all of the Year One.

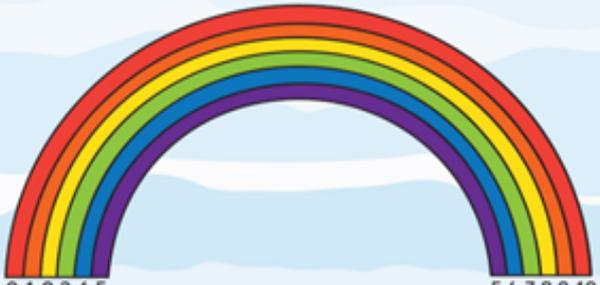

Spelling Bee
