

Reception Weekly Learning Letter

Spring 1

Week 6

Date: 08/02/2018

Our Learning Journey

Our topic this term is...

'Do all Dinosaurs Roar?'

Wow - this half-term has flown by!!!

The children have astounded us with their knowledge and enthusiasm during this topic. We have had great fun and we hope that you have enjoyed hearing all about what your child has been learning.

In Literacy, we have have looked at ingredient lists and recipes - we hope the children enjoyed eating their fossil cookies.

In Maths, the children have shown us their understanding of number relationships and are very secure with their numbers to 10.

We hope that the children have told you all about our Life Bus experience. It was brilliant and the children were enthralled during the session.

We even found out that the veins in our body stretch 2 and a half times around Earth!!!

Next Term

Our new topic is

ONCE UPON A TIME...

We are sooooo excited to get this topic started - our first week will be 'Goldilocks and the Three Bears'.

We will start our topic by completing a 'mindmap' of what we already know about stories, characters and settings.

In Literacy, we will be recording our Holiday News and sharing them with the whole class.

In Maths, we will be starting to introduce addition through combining two groups. We will begin to record using numerals - please refer to number formation rhymes on the school website for written numbers.

General Information

Parents Evening

We are excited to be able to share your child's learning and we look forward to showing you the progress they have made since the last meeting.

These slots are for discussing your child's learning and are for **10 minutes only**. If you have any other items you would like to discuss a separate meeting will need to be arranged with the class teacher. Thank you for your understanding and support - we like to talk and could spend all evening with one parent!!!

Early Years Outdoor Area

We are looking to rejuvenate our outside area and we are fast approaching the time of the year for planting - if there are any parent/carers that can offer their services that would be greatly appreciated. Please see class teachers directly ☺

Star Learners

Leah - for excellent reading and using her sounds to blend words confidently!

Oliver M - for being a Go For It Gorilla and trying hard in his learning.

Nabeel - for being a Choosing Chimp and making excellent choices in his learning.

Parents in Partnership

'Recycle it, Reuse it!'

Next week we will be collecting the next natural resource. Please place items in the black tubs outside the Early Years area ☺

'Recycle it, Reuse it!'

ALL Material - old duvets, sheets, curtains, netting, voile, fur etc

Home Learning

We hope you all have a wonderful break with your family and enjoy the well-earned break. The children have worked so hard this half-term and their progress has astounded us.

There is a Phonics Home Learning activity - only do this if your child is eager.
