Summer Newsletter No 9—Friday 23rd June 2017

Quote of the Week

A person who has never made a mistake, never tried anything new.

Albert Einstein

We hope you have all stayed as cool as possible this week. We have tried all sorts of different ways to stay cool at school including: trips to the air conditioned staff room, water play outside, water sprays, fans, outdoor learning in the shade!

Thank you to everyone who brought in chocolates and sweets for the Summer Fair—the children thoroughly enjoyed their mufti day today. Year 2 have been enjoying time with their Year 5 Buddies as part of their transition to Junior School.

Wingbats are looking forward to their Movie Night tonight.

Please ensure all children have named water bottles and school sun hats at school and remember to apply sun cream on hot days. We have new stocks of sun hats, book bags and PE bags in the office now—see website for pricing (Useful Information/School Uniform).

Safeguarding Tips

In advance of Sports Day, please can we remind you of the school policy that you **MUST NOT** post any photos or videos of other people's children on any social media sites, including What's App, Facebook etc. For your info, when a photo is opened in What's App it is automatically then saved onto the phone's photo stream, and can inadvertently be shared with others.

Thank you for your co-operation with this.

Plea for Tissues

Please could we urgently ask for boxes of tissues for the children's use—any donations gratefully received by the Office. Thank you!

No Smoking Site

Please can we remind you that we are a no smoking site at school. This includes no smoking in any of the outside areas and must be adhered to at all functions—ie summer fair, PTA events etc.

Thank you.

Question of the Week

How hot do you think the sun is?

Do you know the Greek story of Icarus, who flew too close to the sun—see if you can find out what happened to him?

Thank you for your help in discussing this fun question with your children.

Eco Tips

See if you can help the wildlife in your garden in this hot weather—birds, insects and animals all need water to drink too—can you create a little bird bath using a plastic ice cream box or something similar so that they can have a drink and a bath to keep cool?

Joint Summer Fair

Come along to the Joint Summer Fair
On Saturday 1st July—2-5pm

Lots of great stalls, games, BBQ,
refreshments, tombola and lots more....

Sports Day

Sports Day is on the morning of Friday 30th June and you are invited to come along and watch your child take part. Children will be dismissed at 12.30 ready for their picnic lunch. Please bring a picnic lunch for you and your child to eat on the field afterwards. You are free to leave with your child once you are ready. Children will stay with their teachers if parents can't attend. There will be no school lunches on 30th June.
Many thanks.

No Scooting in the Playground Please!

We still have children scooting in the playground despite our plea not to. Please ensure the children dismount from their scooters at the entrance to the school playground and do not scoot around the playground. This is for the safety of all our parents and children.
Thank you for co-operation.

PE Kit

In line with our school uniform policy and ethos, please could you all ensure that your children have the correct PE kit and do not come in wearing other clothing:
School logo light blue T shirt
Navy shorts
Suitable plimsolls/trainers for indoor/outdoor sports activities
Thank you
